A MESSAGE FROM NoMCO'S NEW PRESIDENT

By Vicki Haas

Many years ago, when I was looking to buy a house, I could not have done better had I been shopping for neighbors. And over the years, as people have come and gone, I continue to find those whose values I share, whose intellect I respect, and whose fellowship I enjoy.

As the new President of NoMCO, I'm excited about the possibilities. Whether you're an old timer or a new comer, please come share the adventure.

These are times of opportunity to participate. Lots of tasks are small – phone calls, proofing, sharing ideas, writing for the newsletter. . . and some are bigger.

There's room for more on committees – membership, programming, code enforcement, housewalk. Liaisons are being established with other local groups, for starters: Phyllis Clifton/Maywood Chamber of Commerce; John Yi/Proviso Action Committee; and Gary Woll/Ombudsman. Nobody can make it to all meetings, but when everyone pitches in, we all benefit. The intent is not to overload, but to share the load. If you'd like to help, contact me, Vicki Haas, 708-681-3696, victoriahaas@cs.com.

On January 27, 2011 the Alliance to End Homelessness in Suburban Cook County will hold its 4th biennial Homeless Count in suburban Cook County. Dozens of volunteers will take to the street to find, interview, and provide gift bags to all unsheltered homeless persons found in our communities. This Homeless Count will help preserve over \$8 million in federal funding, and increase public awareness about homelessness in Suburban Cook County.

How can you help?

Volunteer on the Count night to help interview unsheltered homeless persons and distribute gift bags
Donate useful items such as socks, gloves, hats, toiletries, and other similar items
Spread the word about the Count to your friends, family, co-workers, and community

To learn more about the 2011 Homeless Count, or to sign up to volunteer in your community, contact Hallan Hanson, Program Coordinator for the Alliance to End Homelessness in Suburban Cook County, directly at 708.345.4035, x05 or via email at hallan@suburbancook.org

Thank you for your help in spreading the word about this incredible event!

Sincerely,

Hallan Hanson
Program Coordinator

GARY'S MUSINGS

by Gary Woll

An Inside/Outside View of Village Hall

I am using this title to reflect that my commentary is not officially from the village or the village clerk's office as I sit here at my new home computer. It is written as a non-voting insider and from the outside looking in at recent village activities. I would also never discuss the private legal discussions/votes made in executive sessions unless they have reached the point of a public open vote. For this issue I would like to briefly give thumbs up/down briefs on various village issues over the past summer and early fall.

A redevelopment agreement has passed and was signed by both "sides" for the commercial redevelopment of the northwest corner of 1st and Lake. In these continued hard times, this is a definite **thumbs up**.

On the other hand I give a big **thumb down** for the recent RFP (requests for proposals) for our insurance agency. It seems like EVERY YEAR the Owens team comes in with a low bid/proposal for their services. What this does is drive away some of the future competition and implies a too cozy relationship. The last time (a few months ago), Owens got the business at the last moment when, in my opinion, it was slightly higher. The Board agreed to go out for RFP's way in advance of the next time. About five proposals came into my office by the deadline of 5:00pm on a given day. Owens brought their materials, about 7:00, two hours LATE!! No selection has been made BUT, their RFP was accepted to be evaluated with the others.

Thumbs down for the village officials playing our cash flow problems too close to the vest. We ALL have been receiving questions and/or complaints about what has happened to the seemingly complete shutdown of our infrastructure projects. This has caused all kinds of untrue rumors where the TRUTH is not that bad. The village administration and board faced a huge budget situation as they approached this year's May 1 budget year. They laid off employees, added furlough days to all non-union employees and raised taxes 3%, the vehicle sticker price and some of the fines. Still, the village, like every other local government in Illinois could not have anticipated the state being 7 months, instead of 3 months behind, in various state-owed monies such as income tax, motor fuel tax, and sales tax. Plus the county has delayed sending out the second half property tax bills; guess what, until after the November elections. What a surprise!! The result, I believe, but do not know officially and publicly, that the village is behind, maybe way behind, in paying many bills including the street construction contractors. Early in the summer there was also a delay for a couple of weeks due to a countywide construction worker strike. There have also been typical causes for delay related to contract disputes between the railroad, the contractor, and the village or problems at 5th and St. Charles. The thumbs down is for not letting the public know as I cannot see any reason for the public not knowing the situation. People who have asked me usually are pretty accepting of the legitimate excuses given above.

However, **thumbs up** are a big **UP** as the village administration, Finance Committee and the full board for being willing to increase two taxes effective January 1st. One is a 1% local sales tax increase which should bring in an extra \$600,000 a year. Every village in the area save one, have at least a 1% additional tax. Melrose Park takes in almost \$7 million dollars a year and now Maywood would only be 6 times less rather than 12 times less!! The other increase is a very slight increase, first in 20 plus years, in one of the utility taxes.

Also a **thumbs up** for the administration and elected officials looking for a way to get the sidewalks done on north 9th. They have been a hazard - completely dug out for months with some gravel fill. Over the winter, this would be dangerous indeed.

And a final **thumbs up** for the village government's support of the wonderful Maywood Market by shopping there and by promoting it in many ways. You can usually see me there most afternoons for about an hour reading my Tribune and conversing with shoppers.

Yours in peace. Gary Woll

NoMCO's 2010-2011 MEMBERSHIP

NoMCO exists because of the advocacy, membership, and active participation of concerned Maywood citizens. Listed here are those who are recognized as 2010-2011 "dues paid" members of NoMCO.

Thank you for your vital involvement in realizing NoMCO's mission of "promoting and maintaining a sense of unity and community pride" as we realize the vision of "neighbors helping each other, positioning for change, and serving Maywood."

An Altogether Different “Campaign” to Serve Maywoodians

The AmeriCorps Safe Families Program with the American Red Cross is a new campaign to increase our presence in several communities throughout the Chicagoland area. The AmeriCorps Safe Families Program is a grant-based initiative to provide services and education to communities and neighborhoods. As part of this new outreach, we are currently offering several community safety courses in Maywood at no charge. If you are at all interested in providing these programs to your organization's membership, I encourage you to see the attached course description sheet.

If you're interested in booking a class or have any questions about the information provided, please contact me in whatever way is most convenient for you.

I'm often out of the office teaching but if you call and leave a voice mail including: your name, the organization you represent, and a phone number where you can be reached, I'll make sure to return your call as soon as possible.

If you are a musician/singer or know of children between 3-17 who would like to be a part of this year's program, please contact Pastor Elliot Wimbush.

A note from Pastor Wimbush:

In being neighbor. As you know, First Congregational took in Stairway of the Stars dance studio last Spring and they will likely be holding their classes at the church for the next year. We have recently taken in Cub Scout Pack 78, which had been meeting at Rock of Ages, but was displaced by a flood in Rock of Ages' Cafe. First has also begun our autumn programming and activities. All that is to say that there has been a marked growth in activity at the corner of 5th and Erie. That increase carries with it some practical and logistical considerations, none the least of which is parking near (and not-so-near) the church. Lois Baumann of Stairway of the Stars and I have addressed, with guests, the issue of parking only in areas designated acceptable by law and in ways in keeping with being a good neighbor. However, if you should experience anyone being un-neighborly (i.e., blocking access to your driveway, etc.), and you feel the necessity to alert the Maywood Police, please know that I have told Chief Curry that his officers should feel free to cite any individual who insists on parking in areas prohibited by signage or discernibly painted curb markings. I thank you for your neighborly patience with this growth, and ask that we all be aware of the increased number of little ones crossing 5th Avenue at Erie.

People Pitching In ...

by **Vicki Haas**

NoMCO couldn't do what it does without lots of people pitching in. The biggest project of the year was the Housewalk – and kudos go to Tom Kus for pulling double duty as President of NoMCO AND Chair of the Housewalk Committee. Of course, his wife Millie did much to help in planning for the event, as did Jerry and Linda Koppel, Liz Mason. Thanks to Lennel Grace and Dawn Williams, and to the Village of Maywood for the trolleys. Special thanks to the homeowners who opened up their homes to celebrate our architecture, our people and our community – Marianne Kelm and her mom, Dave and Donna Flowers, Ann Kennedy and OB, Tom and Millie Kus, Wayne and Marni Beals, Al Sutherland, and Claudia Young, and of course the volunteers who pitched in the day of the tour, Mike Dawson and Vicki Haas as trolley guides, the folks at 1st Congregational Church for space, refreshments and rest facilities, Phyllis Clifton, Albertine Alexander, Hallie Hanson, Isaiah Brandon, Cheryl Ealey, the Murphys, the Wimbush family, and many others. We had great weather, and the guests had a fabulous time.

Labor Day weekend, NoMCO held a rummage sale at Maywood's Family Fest. Again great weather favored us for a successful sale. Thanks to Phyllis Clifton for the idea, donations and work, and to helpers: the Parker Family, Betty and Virginia Olson, the Murphy family, the Dawson family, Albertine Alexander, Sheila Ferrari, Marge Kozel and Matt Dix, Bob and Sue Mancini for donations and/or working the sale. Special thanks for the heavy lifting/hauling of Matt Gauthier with his truck and his kids: Kevin, Daisy, Jennifer and Ariel, and Dennis Murphy with his truck and Matt Dix, Michael Dawson, and Gordon Hanson for deliveries. There were bargains galore AND money was raised to support projects this coming year!

Finally, thank you to those who participated in putting together programs for the next four months: Tom Kus, Sheila Ferrari, Cathy Barker, Ellen Miles, Stacy Saunders, Gordon Hanson, Robin Schirmer, Jerry Koppel, Sarah and Gustavo Lira. We had more program ideas than meetings... so we've got a running start on future meetings. Anyone who'd like to work on the Program Committee, please contact: Vicki Haas, 708-681-3696, victoriahaas@cs.com. We promise it won't be too much work.

Good job everyone!

PLEASE VOTE YES

Submitted by Rose E. Mosley, President,
Maywood Public Library District Board of Trustees

Dear Maywood Citizen:

On December 1, 2011 the last large payment of \$571,000 will be made on the Library Building. The Maywood Public Library is asking for your support to keep this Bond Levy intact for two additional years. As this is money that you have already been paying, this will result in NO additional cost to you as a taxpayer.

Voting yes for the Library Referendum will allow the Library to continue to use this money for two additional years to pay off debt that has accumulated due to sharply declining income, 99% of which comes from local property taxes. The Library receives no money from sales taxes, or from state or federal sources. The Library receives an annual Per Capita grant of \$25,000. This is a tiny amount compared to the Library's annual budget of \$1,300,000. This is the Library's ONLY outside income. Contrary to what you may have heard, the Maywood Public Library has not received any Federal Stimulus funds.

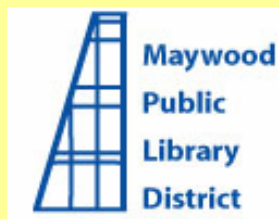

Due to the many foreclosures in Maywood the past two years, the loss in tax revenue has caused the Library to accumulate nearly \$600,000 in debt. The Library has had to close two evenings, and on Fridays. Library staff has been reduced. Full-time library staff has had to take unpaid furlough days.

A yes vote for the Library Referendum will allow the Library to stabilize its services and avoid further cuts in hours. A YES vote will financially protect the Library as it anticipates several additional years of weakened income from local property taxes.

If the Library Referendum is approved at the higher combined rate of the Library's operating rate plus the rate set by the Library Bond, the additional funds will be used for just TWO additional years. In other words, the proceeds from the bonds will be shifted to the Library's operating fund for just two years.

Please remember to vote on November 2. Please vote YES for the Library Referendum!

A PRESIDENT'S REFLECTIONS PROPEL NOMCO TO A BRIGHT FUTURE

By Tom Kus

Hello Everyone,

As the season changes and fall approaches, I wanted to take the opportunity to reflect back on the last 5 years of all we have been able to accomplish and thank everyone for their help and support moving NOMCO forward. Times change, and with that came the reality that we are all one Maywood, and what affects one part of town affects us all. To that end, we opened up the membership to include all citizens that want to make Maywood a better place to live and contribute to the betterment of the community. We have all put a lot of hard work in, and brought ourselves into the 21st century with a website that has provided an excellent promotional tool, along with a timely way to let all our members know of important events within the village. We have also sponsored and ran 5 wonderfully successful Historic Homes Housewalks, which have turned out to be one of the most popular and widely promoted events to both those within and outside of Maywood.

I think everyone that was part of the event had a big smile on their face when all the guests that came to our community said "wow...I never knew this was in Maywood". It really gave us all a sense of pride, and it didn't hurt that the event helped replenish our treasury, which was almost exhausted. The housewalk will also be one of the vehicles that will spur investment in the community when the housing market picks up again. Hopefully we will carry on that tradition every year, which has settled into the 2nd Sunday of July. We also hosted several candidate forums as has been a tradition, and a lot of work too--another invaluable service to the whole community.

One of the goals I tried to point the organization in was to steer it in the direction of citizen involvement, promotion of our wonderful homes and families, neighborhood beautification and making people proud of where we live. I think we have succeeded on many counts, but there is still much more to do. If we all stay involved and all stay connected, we will make Maywood the place everyone wants to come to.

I want to make sure I give a big thanks and due recognition to NOMCO's secretary while I was president--Jerry Koppel. Jerry was the guy that made a lot of things happen behind the scenes, and deserves great recognition for all we have accomplished. I want to wish good luck to Vicki who has taken the reigns of NOMCO, and again thank all of you that made it a great organization over the last 5 years. Let's make the next 5 years even better!

Mr. Don Emery, N. 1st Avenue, has come on board to serve as Scoutmaster for Boy Scout Pack & Troop 78, formed in November, 2009. This is the first Boy Scout troop to be in Maywood in over 15 years.

Cub Scouting is for boys in first through fifth grades, or 7 to 10 years of age. Boys older than 10, or who have completed 5th grade, may be eligible to join the Boy Scout or Venture Scouts programs. Meetings are Friday evenings 6:30 to 7:30 p.m., at 1st Congregational Church, 5th & Erie. Last month, the troop received a generous donation of tents, camp kitchens, and other gear and uniforms from retired Scoutmaster John Hagensick of River Forest. The Troop has held several events and numerous outings thus far, including camping.

Boys interested in joining should contact Don Emery, 708-207-1326, or Shekila Paxton, 773-870-1911. Ms. Paxton is Secretary for Pack/Troop 78. Adult helpers are welcome and should contact Mr. Emery at: 708-207-1326

THE MAYWOOD ROTARY AUCTION IS COMING!

There are several ways YOU have helped before and YOU may already have done that this year.

First, two sets of basic facts:

One: We raised \$12,000 last year and EVERY penny was spent, about 50/50 on local and international service projects. This year the budget goal is \$15,000 which huge for a small club of 25 members.

Second: This year's 12th annual auction will be held on Saturday, October 30th with doors opening promptly at 6:00. Location, as always, is the First Congregational Church, 400 N. 5th. Seating is limited to, about 125. Some items such as dinners go to the first to sign up for them so; there is an advantage to being there on time. The silent auction will close one room first and then the big room at 8:00 followed by the live auction with everything over before 9:00. Your \$12. ticket includes free appetizers, deserts, beverages (beer, wine, pop, coffee) served all evening long.

What can YOU do? Even though it might be obvious:

ONE: Donate money. We receive donations from \$5 to \$1,000 and ALL are welcome. Checks should be made out to the Rotary Club of Maywood. Last year about \$3,000 was received in this manner with a little under \$2,000 collected so far this year.

TWO: Buy \$12. tickets to the event, BUT, ONLY, if you are planning to come. All of our members have tickets, in fact, each are responsible for selling a 10 ticket minimum. This earns about another \$3,000. So contact one of our members who will be glad to supply you with tickets. We of course, encourage YOU to talk up attendance with your friends at church, block, workplace, etc. Remember we do have limited seating so, if they are not coming, it is easier to keep track if they just make a donation, see number one above.

THREE: While all of our members make donations of items to sell, we love it when some of our friends/supporters make donations or find items /money from others they know. So, just like our members, look in your attic, basement, garage, etc for new or like new items to donate. If an item, please contact us for bringing them to our house well before the date of the auction.

FOUR: Last but not the least, attend OUR/YOUR auction and find bargains and BUY, BUY, BUY (of course, within YOUR means!!).

All questions, donations, etc. should be sent or addressed to:

Gary Woll, Auction Chair, Rotary Club of Maywood .
802 N. 3rd Ave., Maywood, IL 60153
